

Attendance Monitoring for Middle and High Schools

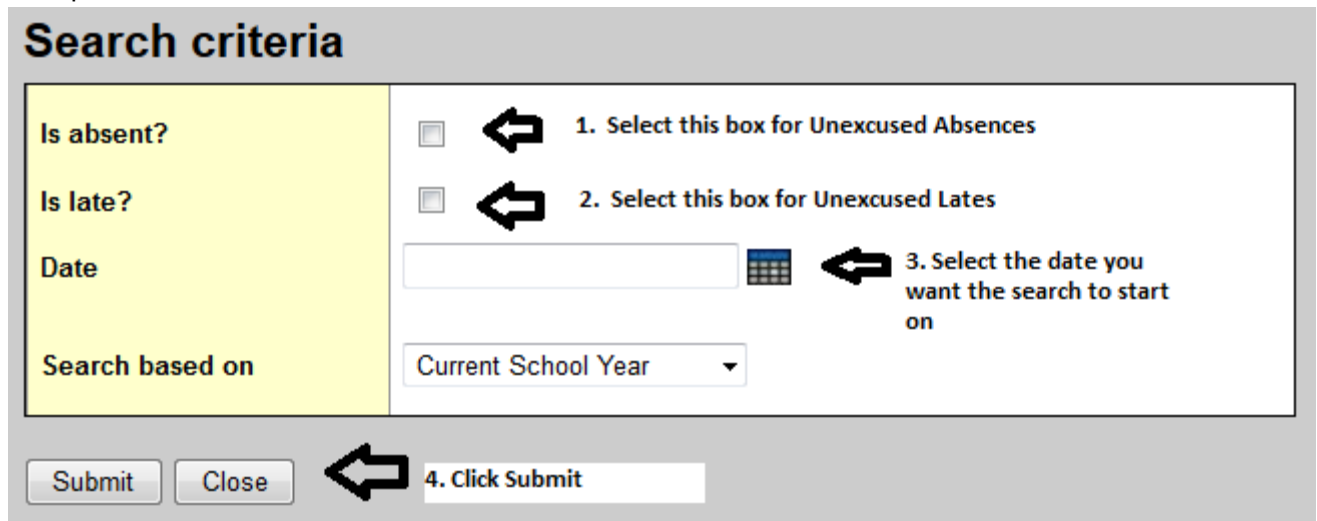

This document is intended for school personnel that monitor student attendance.

In the school view:

1. Click **Attendance TT, Class History ST**
2. Select the SD73 Attendance Date Filter

3. Complete the window

Note: You can only search for unexcused absence or late but not both

Attendance Monitoring for Middle and High Schools

- 4. Click **Reports**, then **Saved Report**, select **SD73 Student Attendance Report**, then click **Finish**

Note:

This query/report structure cannot show students with a specific number of lates or absences. We are awaiting the attendance updates from Fujitsu to fix the Principal's Attendance Report
