

**Staffing (Teacher Enrollment Number)**

In the *build view*,

1. Click on the Scenario Top Tab. Make sure you are working in the correct scenario.

2. Click the **Workspace** Top Tab, **Master** Side Tab, Filter: *All Sections*
3. Click **Reports**, **Quick Reports**, **Saved Report**, select SD73 School Enrolment Total, Click **Finish**

This report:

1. SHOWS the enrollment total broken down by teacher.
2. DOES NOT show/handle mosaic rotations. Those need to be computed by hand OR in a spreadsheet.
