

**Teacher Enrollment Counts – Middle/Secondary**

In the *School View*,  
**Schedule** Top Tab, Master Side Tab, Filter: Current Year

Click Reports → Quick Reports → Saved Report → SD73 Enrollment Total – Secondary  
Click Finish

This report provides you with the total number of students a classroom teacher sees in a school year.

Note: This report does not account for MOSAIC (grade 8) classes. You will need to manually adjust these teachers' totals.
