

Planning Support Report

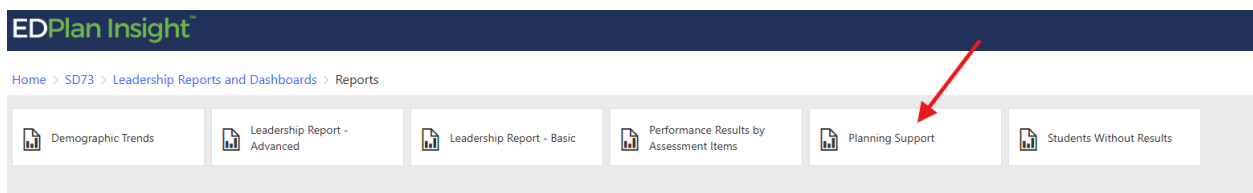

This report will look at various assessments on one page with the given set of filters. Example would be to look at the beginning of the school year at the previous years literacy and numeracy proficiency scales (Final) and the Primary Reading Assessment Spring (Post) level.

This report is in the Leadership and Dashboard Tile in Edplan Insight.

Set the filters to what you wish to see, the arrows provide the path to recreate the example images. This example will be September Grade 4 students (report looks at June Grade 3 data). The Report will also show attendance, designation, indigenous, and ELL information.

Then click on **Reports** and then select the Planning Support tile

The Report will also show attendance, designation, indigenous, and ELL information.

Use the filters to select the grade you wish to look at. For this example, let's use the scenario that you wish to view last June Literacy data for grade 3 students, (**PRA Spring** and **Literacy Final Mark**), use the filters to **select last year, grade 3**, Assessment select **PRA and Literacy**. Term/Sub Assessment select **PRA – PRA Spring (Post)**, and **RP – FIN** (Final Mark), the Sub Assessment Item I usually **uncheck the PRA Spring Accuracy Item**.

Then click **view report**
