

Students without Results Report

To Find students without an assessment entry use the Students without Results Report in Edplan Insight.

First click on the Leadership Reports and Dashboards Tile in the home screen

Then click on REPORTS and then select the Students without Results tile

Use the filters to select the grade you wish to look at. For this example, let's use the **NFRA FALL**, that would mean you select **Grades 4, 5, 6, 7** in the filter, then the **NFRA Assessment**, The **NFRA FALL** sub assessment, and finally the **OVERALL** in the Sub Assessment Item. Then click **view report**

The screenshot shows the filter page for the Students Without Results report. The breadcrumb trail is Home > SD73 > Leadership Reports and Dashboards > Reports > Students Without Results. The filter form contains the following fields and selections: School Year: 2025-2026; Teacher: Alexander Bourassa, Allenda Adolp; Indigenous: Indigenous, Non-Indigenous, Unknown; French Immersion: Core French, Early French Immersion; IncEd Categories: Autism Spectrum Disorder, Deaf or Hard of Hearing, Emotional/Behavioral; Term/Sub-Assessment: NFRA FALL; School Zone: All Schools, Alternative Education, ELL; Grade: Grade 04, Grade 05, Grade 06, Grade 07; Band: 7AKISQ-NUK FIRST NATIONS, 7AKI; ELL: ELL, Non ELL, Unknown; Children In Care: Yes, No; School: A E Perry Elementary; Gender: F, M; Indigenous Ancestry: Inuit, Metis, Status On Reserve, Status of Indian; Dis/Div Abil: All IncEd, Non IncEd, Unknown; Assessment: Nonfiction Reading Assessment; Sub-Assessment Item: Overall; Show Filter Selection Page: Yes. Red arrows point to the School Year, Grade, Term/Sub-Assessment, and Sub-Assessment Item fields.

You select the overall sub assessment item so that only one record shows per student, if you leave all the sub assessment items you would see a record for every item that a student missed (several per student).

Report Shows, student name, Grade, and Teacher (you can sort by all these fields – sort by teacher to create a list to follow up with teachers). **Any student showing in this list does not have a data entry for the assessment.**
