- Ability to mass update Exam Session Dates on Student Assessment records is now available (Assessment > Student Assessment Side Tab > Option, Exam Session Date 1).
- The Contact Details template has had two new fields added: Parents' Work Phone Number with Extension and Place of Employment. No conversion data will go into these fields. These fields allow staff the opportunity to add this information as needed.
- The Enrollment Details template (Student top tab > Membership side tab > Enrollment Details), the Enrollment list view field set, and the Registration wizard all now have a field to enter in the entry or exit grade for students entering or withdrawing from you schools. The grade in this field is what is used on the PSR. The short name of this field is PSR Grade and the long name is PSR Entry/Exit Grade.
Note: There is currently no ability to enter an exit grade on the Withdraw wizard.

The Enrollment list view (Staff can choose the Modify List option to change the Entry and Withdrawal grades that will display on the PSR).
