

Implementation Date
April 22, 2015

Release Highlights		
Change Request Number	Function	Changes
158816	GDE	<ul style="list-style-type: none"> Modified GDE student demographic extract to display the street address. <p>IMPORTANT NOTE: This fix has been rolled back, as an exception error may occur on the Demographic GDE extract for some schools.</p>
157520	TRAX	<ul style="list-style-type: none"> Modified TRAX crs file to display the Fine Arts and Applied Skills (CRSE_GRAD_REQT) field correctly. A new field “FAS Override” has been added on the student transcript template (Student top tab > Transcript side tab; Grade top tab > Transcript side tab). Schools can update (mass update or list-edit) the “FAS Override” on student transcript with a value of A (Applied Skills) credit value of 2.0 or F (Fine Arts) when there is a credit value of 2.0 for historical and current year courses.
158731	Conversion Script	<ul style="list-style-type: none"> Modified conversion script to create missing historical assessment records.
158806	Configuration	<p>Configuration changes:</p> <ul style="list-style-type: none"> Added Expiry Date to the following Incident templates: <ul style="list-style-type: none"> Student incident template (Student top tab > Conduct side tab > Incident) Student incident history (Conduct top tab > Incident history details) Added a new udf field “Original PreReg Date” on the Student Enrollment table so that EOYR captures the original date entered for Pre-Reg students. The Entry Dates for Pre-Reg students is overwritten at EOYR. Added the reference code “Summer School” to “Enrolment Reason” and “Enrolment Code” Reference table. Added a new school type “Summer School.” Modified the following tables as editable by former schools: <ul style="list-style-type: none"> ATT Student Attendance (i.e. Daily Attendance) PAT Student Class Attendance (i.e. Period Attendance) PGM Student Program Participation CND Student Conduct Incident SCH Schedule SSA Student Schedule Attributes TRN Student Transcript HLG Health Log SSK Student School Association Updated Teams to include groups with the categories: Academic, Athletic, Club, Other, School and Team to show on the School Team GDE Extract A new field entitled “HS Not in MyED Name” has been added to the Student Details template, allowing schools to identify which home school a student is in.
