Implementation Date
May 6, 2015

Release Highlights		
Change Request Number	Function	Changes
159317	Attendance Label Report	• New Attendance Label Report
159439	Report Card	• Report Card logo - Modify Report card to display the logo
159432	PSR bundle	• Modified PSR to display the final mark for Q code courses
159359	Configuration	• Added a new field "Joint Custody" to the "Who has custody" table • Modified Citizenship Codes– "Out of Prov CDN not Elig" modify the State code to "O"

159429	Configuration	• Modified the security role "District Support (Help Desk/Level 1)" to add "Read" to Curriculum Map. This allows the L1 to be able to access the Planner in the Staff view.
		• Added two security Roles:
		  o Auxiliary-On-Call – This role is created for temp worker who only should be able to do Attendance for the school; but cannot modify demographic information.
		  o Detention Room Monitor
		• Add-on role created so a user can also access the Conduct top tab > Detentions side tab to mark that a student was present for an assigned Detention, as well as adding any notes to that instance.

159501	Grade level	• Updated the grade level of KF to EL for students with a YOG of 2028.
