

MyEducation BC / BCeSIS Release Notes

Implementation Date

May 20, 2015

Release Highlights

Change Request Number	Function	Changes
160039	Configuration	<ul style="list-style-type: none">• Added a new role 'Schedule Builder - Limited', enabling counsellors to look at the next year schedules.• Modified the roles 'Student Services – School' and 'Student Services: Enroll & Read – School' to add the Update permission to the Contact table. This allows updating the 'Include on IEP' field on a student's Contact.
