

MyEducation BC / BCeSIS Release Notes

Implementation Date

June 10, 2015

| Functional Area | Details |
|-----------------------|--|
| Attendance Label | Modified Attendance label to fit on the Avery label |
| Configuration Changes | <ul style="list-style-type: none"> • Two new fields are now available on the Student Citizenship tab for the purposes of recording immigration information: Immigration Code and Federal Immigration ID. Both are free form fields of up to 25 characters. • Modified Superintendent Field SKL_FIELDB_001 to be mass-updatable. • Changed Enterprise Rubric Weights from 0 to 1, thus making the Performance Scale (K-3) number equivalents display in field sets on the Student Transcript screens. <ul style="list-style-type: none"> 4 – EE – Exceeding Expectations 3 – ME – Meeting Expectations 2 – AE – Approaching Expectations 1 – NYM – Not Yet Meeting Expectations <p>Numbers 1 through 4 will display depending on the Performance Scale value selected for the student for the course. Currently a 0 displays for all Performance Scales. At this time there is no means to display any value other than a numeric value on these field sets.</p> • Modified the Family courier fields as mass-updatable and list-editable. • Made the District Enrollment Report available at the District view. • Modified “Clerical - SIS Clerk” Baseline Security Role - added Create and Delete permissions on the Student Schedule Attributes table. • Changed the Pick list label (IEP Goal Identifier > Pick list) from Focus to Goal Area. • Changed the Performance label in the IEP Progress Report form to: Level of Progress. |
