## LISTING STUDENTS WITH DL SCHOOL COURSES

When a counsellor or administrator, asks you for a list of students at your school that are also taking courses at a Distributed Learning Center (@KOOL/SCIDES/EBus), you can print/extract a list by following these instructions.

### Navigation Path:

- School View
- Grades Top Tab>Transcripts Side Tab
- Filter> SD73 DL Courses-in-Progress
- Field Set> SD73 Default Fields
- Complete the dialogue box (as below)
- School Year Context > School Year = "Current School Year".
  - For example, the MyEdBC school year September 2015 to June 2016 is called the "2016" school year.

- Once you have the list of students you can either print /extract using the printer icon
- If you want to just **print the list** you may need to change your paper orientation to Landscape so that all the information prints.
- If you would like to <u>extract the list</u> and save it as an Excel spreadsheet, choose CSV file format . This will allow you to sort the data as you like.
